April 2023

## Homebuyer Highlights

### Linda's Home Dedication

Linda moved into her home on Saturday, April 15! She is the first to own one of 12 houses on Wells Street, which will soon be a thriving neighborhood in the heart of Cambridge.

You can make homeownership possible for more people like Linda! When you join the Carpenter's Club, you can have a hand in every house we build without swinging a hammer! Click on this button to learn more about the Carpenter's Club.

## Stop and Smell the Flowers

As you stop and smell the flowers in these warming months, consider how they came to be: someone before you planted a seed and nourished it! Similar to spring flowers, Habitat for Humanity Choptank flourishes every day because passionate stewards

like you support our work!

Today, we're sharing a unique opportunity to plant a seed of your own: **building a legacy that makes communities stronger through homeownership**. We're highlighting our trusted partner, [FreeWill](#) to help you get started with their free online estate planning tool.

Habitat Choptank has been hard at work as we partner with families to build homes, community, and hope. As a dedicated supporter, now is the perfect opportunity to ensure a flourishing future for the work we do. **A gift in your estate plan can sustain our program for years to come!**

In about 20 minutes, FreeWill guides you through the process of writing your will or trust online, and it's completely free to use. Over 750,000 people have used this online resource to plan their legacy. We hope you take the opportunity to join them this spring.
