New Year's Resolution: Make Your Estate Plan

Turn the page into 2024 and build strength, stability, and self-reliance through an up-to-date estate plan.

Writing a will is important for all adults because you can exercise agency over decisions that protect your loved ones, designate a guardian for your minor children and pets, and indicate how your assets will be distributed.

You can use FreeWill, a tool on our website that let's you create a will, free of charge.

You'll also have the option to incorporate a gift to Habitat Choptank in your plans to establish a legacy that restores hope in the lives of those we serve for generations to come.

Thank You to Our Hard Hats and High

Heels Sponsors!

The 2nd annual Hard Hats & High Heels was a tremendous success!

Board members, staff, donors, volunteers, and friends of Habitat joined us at the Waterfowl Building in Easton on November 18th to celebrate and support the building of homes, community, and hope in Dorchester and Talbot Counties. Everyone enjoyed a fun-filled evening and raised money for Habitat's mission!

We extend our gratitude to our event sponsors, auction contributors, volunteers, and everyone who made the Hard Hats & High Heels possible!

Please use these businesses whenever possible - they provide great service AND contribute to those in need in our community!

Home Dedications

Hannah moved into her home on November 4th! She and her family joined the Prospect Avenue neighborhood in Easton! Hannah

moved in with her partner, Gavin and her son.

Javion and his daughter moved into their new home on South Street in Easton on Saturday, January 13th! Javion cannot wait to raise his daughter in a home of their own. As the youngest to ever go through our program, we are so proud of Javion!

You can make homeownership possible for families like Hannah's and Javion's! When you join the Carpenter's Club, you can have a hand in every house we build without swinging a hammer! Click on this button to learn more about the Carpenter's Club.
