Kalynda moved into her home!

Surrounded by friends and family cheering her on, Kalynda had her home dedication on February 17th and joined the Wells Street neighborhood in Cambridge!

Cars for Homes

Did you know by donating your vehicle to Habitat you can help build and repair affordable homes while also helping the environment?

In addition to cars and trucks, we welcome RVs, motorcycles, boats and farm and construction equipment. Your vehicle

donation does not have to be running, but it must be whole and have four inflated tires so it can be moved by Habitat's towing operators.

To learn more about how you can make a tax-deductible gift with your vehicle, click the button!
