

Habitat for Humanity Choptank is soliciting bids for infrastructure services to support a 12 home neighborhood located off of Camper Street in Cambridge, MD. The work scope includes demo, excavation and embankment, soil erosion control, storm drain, sewer installation, water installation, roadway/paving installation, curb and gutters, underground power, sidewalks and driveway throats, and street lighting. This work is being financed, in whole or in part, through private funds, deferred loans and a grant provided by the federal government. Davis Bacon does not apply. Bids will be solicited by advertisement and by invitation from a list of contractors obtained from the State of Maryland Women and Minority owned business listings.

All contractors who wish to bid must attend the **mandatory pre-bid construction meeting on December 3, 2024 at 10:00am at 408 Camper St, Cambridge, MD.** Pre-bid construction meeting information and bid documents will be available online at <https://habitchoptank.org/about-us/how-we-build/contracts-and-bid-proposals> or from Habitat Choptank's Office located at 29349 Maple Ave, Suite 3, Trappe, MD 21673.

Bids received from contractors barred from participation in federally assisted projects will be rejected. All bids must be prepared and submitted in accordance with the instructions to bidders. A statement of contractor's qualifications, and a signed conflict of interest assurance available in the bid packet, are required with the Bid. Accepted bids are not a guarantee of contract award.

Interested parties are to hand deliver or mail via Fed Ex or UPS their sealed bid to:
