

Choptank

Tool Library Faith Based Partner Application

Thank you for your interest in Habitat Choptank's Tool Library. Please complete the information below and return it either physically or digitally. A member of the Habitat Choptank staff team will reach out to you and set up a site visit to further discuss your project. We look forward to working with you!

If your project is something that we can help with, Habitat Choptank will require proof of ownership of the property to be repaired along with a certificate of insurance (COI) naming Habitat Choptank as an additional insured party. This certificate can be sent either digitally to info@habitatchoptank.org or physically to our office at 29349 W. Maple Avenue, Suite 3 in Trappe, MD 21673.

By signing this application, I am verifying that I have signing authority on behalf of my organization and that I will be the primary point of contact between my organization and Habitat Choptank:

Signature: _____ Date: _____

This document is an application, not an agreement. An onsite review of your project must take place before Habitat Choptank can enter into an agreement. A copy of our "Tool Library Partner Organization Agreement" will be provided to you as soon as your project is approved. You may request a copy of this at any time prior to approval of your project. In addition, please be advised that each volunteer that participates must sign Habitat Choptank's standard volunteer waiver, which can be found on the volunteer page of our website at habitatchoptank.org/volunteer/volunteer-orientation/.
