## Become a Hope Builder

*with Habitat Choptank*

*a sponsorship program for  
businesses*

April 2026

# everyone

deserves a safe place  
to call home.

**Through shelter, we empower.**

No matter who we are or where we come from, we all deserve to have a safe, affordable home. We deserve to feel strength and stability day after day.

**Your support empowers families to do just that.**

Help create a community of promise where everyone has a safe and affordable place to call home.

## build hope for hardworking families

Inflation, the increasing cost of materials and services, rising interest rates, and the scarcity of affordable places to live make it more important than ever to get hard-working, local families into safe, healthy, and affordable homes.

Partnering with us is an excellent way to offer employee engagement opportunities, promote your organization to the community, and make a lasting impact on the lives of local citizens that strengthens the community in which your business operates.

**Join us and help build homes, community, and hope for hardworking families, and security for hardworking families.**

**your partnership helps Habitat build homes, community and hope.**

Nearly 1 in 7 of Maryland households pay over half of their income on housing.

Everyone deserves a safe, secure, and affordable home – no matter who they are, where they live or how much money they earn.

Help us build safer, stronger families and communities.
